

New Client Registration Form

To sign up for lessons, call me at 303-554-8857 or email bethdavis@swimboulder.com to schedule a preliminary lesson. The purpose of this lesson is for me to evaluate the needs of the student to determine if I have an appropriate group available, if private or semi-private lessons are required and whether this student requires me to be in the water with them. I have teaching days for being in the water and days for being out of the water. When my schedule is full, I offer a wait list. Once a lesson time has been chosen based on the current schedule posted on this site, send in this form along with payment for: \$25 (a one-time only set up fee) and \$175* non-refundable deposit to reserve your spot. This deposit goes towards the cost of lessons. The balance is due the first day lessons begin.

*Your full deposit will be returned only if space is unavailable or our schedules conflict.

Lesson Policy/Swapping

Since scheduling a semester is quite a complex logistical operation and difficult to change mid-term, there are no make-up lessons or refunds for missed lessons. However, I do offer all students the option to swap lesson times with other students. Please note that this option should be used only in cases of illness, school or travel conflicts. Lesson swapping applies only for private lessons, not semi-private or group lessons.

*All payments are non-refundable; however transferring fees to a future session is considered in the case of severe accident or prolonged illness.

Would you be willing to have your name placed on an email/phone list for Lesson Swapping, since there are no make-up lessons? _____Yes _____No

Payment

Make check payable to Beth Davis Adventure Programs, Inc, P.O. Box 4848, Boulder, CO 80306. Final balance is due one week before the first lesson.

Policies

- Slots will only be held with a deposit. A verbal commitment does not guarantee your slot.
- Make-up lessons are not available. Please use the lesson-swapping list.
- Make sure to arrive 15 minutes before the start of the lesson so that students able to warm-up can do so. Check in with me about lane availability.
